

1. Click on the Things to Do link in the black, navigation bar.

2. Enter a suburb name in the search field then click the green Search button.
3. From the list select a one-day event on the left hand side (under Special Events) or select an all-year-round activity from the right hand side (under Local Things to Do) by clicking the round, teal arrow

4. The detail screen shows a map where the event is being held plus contact and event information.
5. Scroll down the page to see information on possible transport options to get to the event.
6. The details page can be printed by clicking the Print symbol
